

I'm dreaming of a green Christmas, just like the ones we never know  
Where more trees are growing, no forests are glowing  
No rivers flood and overflow  
I'm dreaming of a green Christmas. No fossil fuels to be seen  
May our energy always be clean,  
And may all our Christmases be green.

Silent night, no plastic in sight  
All our veg unwrapped we pledge  
Buy it locally, organic as well  
No plastic carrier bags at the till  
Then you can sleep in peace x 2
